PUBLIC SWIMMING POOL PLAN REVIEW

For public swimming pools which are constructed or remodeled on or after May 1, 1991, plans and specifications shall be prepared by a registered professional engineer or registered architect, and shall be approved by the Department prior to construction. Public swimming pools constructed after May 1, 1992, shall be constructed by swimming pool contractors licensed by the North Carolina Licensing Board for General Contractors, Post Office Box 17187, Raleigh, North Carolina 27619. The General Contractors license shall include the Swimming Classification.

A complete set of plans drawn to scale accompanied by specifications must be reviewed by the local health department in accordance with NC .2500 Rules governing Public Swimming Pools. Cut sheets of equipment, which must be NSF approved, and pump curve sheets must be included with the plans.
