The report included mortality and morbidity data for Cabarrus County and the state of North Carolina and Marcella concluded the report with emerging issues, new initiatives, and next steps. Marcella stated that the 2019 SOCH Report will now be shared with our elected municipal officials and the Cabarrus County Commissioners, as the first step in the process to disseminate this report throughout Cabarrus County.

Certificate of Achievement for Excellence in Financial Reporting

Sue Yates, Chief Financial Officer, proudly shared the Certificate of Achievement for Excellence in Financial Reporting recently presented to the Public Health Authority of Cabarrus County by the Government Finance Officers Association for its comprehensive annual finance report for the fiscal year ended June 30, 2019.

Financial Summary Report (for period ending 4/30/2020)

Sue also reviewed the Financial Summary Report for period ending 4/30/2020. She noted that CHA is keeping appointments down in Dental and Clinical services at the current time, but we are also working to get Telehealth and Teledentistry up and running. She noted that Administration hopes to get services back at capacity, as soon as possible. She also reviewed the expenses for maintaining payroll bi-weekly as whole during COVID-19.

CONSENT AGENDA

Budget Revisions

Sue Yates reviewed budget revisions with the Board. She noted that the Medicaid Cost Settlement came in higher than predicted, by \$400,000. This reduced the budget by \$130,000 due to the MCS increase and D&C services. Dr. Kim Dehler made the motion to approve the Consent Agenda as presented. With a second by Mark Spitzer, the motion passed 9:0.

BUSINESS AGENDA

Finance Policies

Sue Yates reviewed the finance policies individually for review or revisions. They included:

- Public Health & Primary Care Services Eligibility Policy (minor changes)
 - Third Party Confirmation Letter Instructions – English (review only; no changes)
 - Third Party Confirmation letter Instructions – Spanish (minor changes)
 - Financial Policy & Assignment of Benefits (review only; no changes)
 - Glossary (minor changes)

Dr. Buckwell made the motion to approve the Finance Policies (Reviews and Revisions) as presented. With a second by Steve Morris, the motion passed 9:0.

Public Participation in Community Health Improvement

Erin Shoe, Chief Operating Officer, explained that this is a policy that is presented to the Board for review, annually. This policy states how our community can participate in the health improvement process. She stated that there were no revisions for 2020. Dr. Pons made the motion to approve the policy as presented. With a second by Dr. Buckwell, the motion passed 9:0.

COVID-19 Staffing Update

Erin Shoe presented the COVID-19 staffing report to the Board. She reviewed Cabarrus County data trends, and shared that updates have been provided on the CHA Website since March 13, 2020. She reviewed the most current data on confirmed COVID-19 cases in Cabarrus County, and discussed the re-opening metrics. Erin also noted that there had been a slight uptick on COVID-19 symptom-like cases over the past 14 days. She noted that long-term care facilities have been the most vulnerable. Environmental Health staff have been reaching out, utilizing best practices, fielding calls. Going forward there may be time for stop and visit calls. Tom Kincaid added that it's better to catch COVID-19 early vs later, to be proactive vs. reactive.

Dr. Bonnie Coyle reviewed testing results over the past 14 days. Each week there are a number of new cases. But we want two weeks of a downward trend. This would represent a positive outcome and indicate to us that we are moving in the right direction. She noted that there were 4 COVID-19 hospitalizations as of May 12th, added that if the hospital reaches capacity, we will have a crisis. Dr. Coyle stated, “We have reached our peak of 20. Now seeing a steady decline, a good downward trend. As with other chronic illnesses, it is interesting for CHA to see and analyze trends.” Dr. Coyle announced that the plan is to provide testing to 700-800 citizens weekly, with primary testing sites being at Atrium Health – Cabarrus, Novant Health, Cabarrus Health Alliance and Cabarrus-Rowan Community Health Centers. She added that CHA was at the Kannapolis YMCA on May 12th and Atrium Health - Cabarrus was at Central Cabarrus High School. Thursday May 14th CHA will be at A. L. Brown High School, and Friday, Atrium Health will be at Living Waters Church of God. Dr. Coyle also shared that COVID-19 drive-up testing will soon begin at Cabarrus Health Alliance, by appointment. Patients will remain in their vehicles to decrease traffic inside the building. Dr. Pons asked if citizens have to be symptomatic for testing. Erin Shoe responded that if citizens want a test, or have been exposed, they can get a test, even if asymptomatic. Chairman Mack inquired about the turn-around time for test results. Erin Shoe responded that it is 24 hours or less for Atrium Health and < 48 hours for Lab Corp. Chris Bowe added that LapCorp has done a remarkable job throughout this pandemic. He also stated that Atrium Health – Cabarrus and CHA, working together through this, has been a good partnership.

Preliminary Budget FY 2021

Sue Yates reviewed the preliminary budget FY2021. The budget message summarized the total budget of \$21,139,274, the contribution amount requested from Cabarrus County, and other position funding request for additional school health nurses and Communicable Disease personnel. Board members were requested to send any questions or concerns they have about the FY2021 budget to her. The FY21 budget will be on the June 9, 2020 Board meeting agenda for adoption.

INFORMAL PUBLIC COMMENTS/SPEAKERS FROM THE FLOOR

Chairman Mack called for informal public comments/speakers from the floor. There were none.

ANNOUNCEMENTS

Chairman Mack announced that Dr. Tedra Claytor’s second term on the Public Health Authority Board will end on June 30, 2020, and she has chosen not to return due to additional administrative responsibilities at Atrium Health – Cabarrus. He noted that we are currently looking for a Board representative with education and background in the field of Infectious Disease to fill this vacancy. Dr. Lara Pons’ term also ends on June 30, 2020, and she has already submitted her application for re-appointment.

BUDGET MESSAGE – 2021 Budget

TO: Cabarrus Health Alliance Board
FROM: Sue K. Yates, Chief Financial Officer
DATE: June 9, 2020
SUBJECT: Cabarrus Health Alliance Budget for Fiscal Year 2021

This budget totals \$21,695,573. The contribution amount requested from Cabarrus County for FY 2021 is \$8,293,021, an increase of \$766,653 from the FY 2020 county contribution amount. We are requesting \$374,404 for the School Health Program. This includes two nurses for the new elementary and new high schools, increasing the Mary Frances Wall position to full time and increase a part time nurse to full time; as well as the 40% for the increase in school nurse hours and benefits. We are also requesting \$25,000 for additional Communicable Disease personnel. The remaining \$367,249 is for merit, 401k, and fringe increases. The expansion items listed above are part of the line item detail in the budget. These will be in the final budget if determined they will be funded based on the County Commissioner's June Board Meeting. We met with the County Commissioners during their work session on June 2nd at 5:45 p.m.

This budget is formatted to provide full line item descriptions. Revenue and expenses are displayed for each department. Agency totals for FY 2019 actual, FY 2020 revised budget, and projected FY 2021 is given for comparison on the summary page.

The current recommended budget is balanced with fund balance appropriations (FBA) of \$901,167. The FBA consists of:

- \$ 114,162 for Culinary Programming
- \$ 420,000 for Information Technology Capital Assets and Hardware

DMA withholds 10% of the settlement each year and will again this year until a complete audit review is conducted at which point any further adjustments required to the cost report will be made and cost will be adjusted as well as payments made if necessary.

Highlights of this proposed budget include:

1. Projected individual performance increases at an average of 3% x 10.5 months (award in August 2020), an approximate cost of \$224,738.
2. The health insurance plan rate increased 4.5% to \$6,903 per full time employee. A value plan was included as an option for employees with spouse or dependent coverage.

3. State retirement will increase from 8.99% to the rate of 10.20%.
4. Budgeted minor equipment includes:

We appreciate your attention to this budget and as always, our staff is willing to assist the Board in any manner as you review the items recommended in this FY 2021 budget.
