

Facilities Use Policy

Purpose: The purpose of this Facility Use Policy is to define the applicability of the Community Rooms owned and operated by Cabarrus Health Alliance for public use and the requirement for the use of these facilities. It is the intent of Cabarrus Health Alliance to allow the use of these specified meeting rooms for the benefit of the designated user, provided such use does not interfere with normal operations.

Application: To secure a date for any community meeting or event to be held at Cabarrus Health Alliance a completed reservation application must be approved by Human Resources. Reservations are confirmed based on a first come, first served basis, up to three months in advance. A separate reservation form must accompany each request for use. Recurring reservations are permitted for a period, not to exceed six months from the date of initial use. A rental is confirmed when the rental fee is paid in full. Cabarrus Health Alliance Human Resources is authorized to cancel or relocate any reservation due to scheduling conflicts or unforeseen events that makes the use of a room or facility unavailable, unsafe, unreasonable or otherwise not in the best interest of Cabarrus Health Alliance or the public. In this event, Cabarrus Health Alliance will notify the applicant as soon as possible of the change and refund any fees paid, if the event cannot be rescheduled. Should any group need to cancel the reservation, they must provide a minimum of a ten (10) business day notice, in writing, or this could cause the forfeiture of all paid money.

Rental Fees: Completed application and rental fees are required to hold a date for a reservation. These are required no later than ten (10) business days prior to the date for which the facility is being requested.

In the event that any meeting room or any of its contents suffers damage due to the actions or neglect of groups or entities that have reserved the room, the renting party will be charged the actual costs to repair or replace the room, or damaged item.

The renting party shall be responsible for all claims, damage or accidents occurring by any act, omission, default, subcontractor, employees, patrons, guests or negligence. The renting party will pay Cabarrus Health Alliance in cash or credit card, upon demand, a sum equal to the cost of repairing and restoring the facility to its condition as of the beginning of this lease.
