

# Monthly Newsletter

## Happy December and welcome back to our 24-25 YAC Newsletter!

We hope you all had a wonderful holiday and everyone is staying warm as we prepare for the next one! We have a few updates and reminders to share as well as what's to come in future meetings.

Below is a reminder of our 2025 YAC meeting dates:

January 23, 2025  
February 20, 2025  
March 20, 2025  
April 24, 2025

We will have a meeting in May, however, we are working to coordinate schedules to determine the best date. Meeting times will remain the same.

There are a few service-learning updates that can be found below.

As always, if you have any questions, comments, or concerns, please do not hesitate to reach out.

Have a wonderful and safe holiday season. We will see you all in the New Year!

*YAC team*

# DECEMBER NEWSLETTER

## Service-learning

- We will be working with:
- CVAN (DV)
  - Opportunity House (homeless)
  - Kannapolis Middle School (teachers)

We will share the complete list of donation items at our January meeting. YAC Staff will be purchasing the items for the drive. Members will organize the materials at the April meeting.

We hope exams were not too stressful, but we have no doubt that you all did amazing! We hope that you all are practicing self-care and enjoying some well deserved rest.

## Member Spotlights

Camora Roseman was recognized at the December 9th Kannapolis City Schools Board Meeting for her outstanding leadership and extra-curriculars at A.L. Brown High School.

Camora is the Vice-President of Student Council, a Link Crew leadership team member, and Social Media Coordinator for the Black Student Union. She also played a key role in organizing the school's first semi-formal Homecoming Dance.

Keep up the great work Camora!

Ananya Ponugoti was one of three students who represented Cabarrus County Schools at the Apple App Showcase Experience. Ananya and her team created a working prototype for NEW SparkNC app focused on student needs.

Ananya and her team will join a team of students to get the app to completion, making it the first ever SparkNC app developed entirely by students!

Congratulations Ananya!
