Dear Cabarrus Triple P Provider,

Thank you for partnering with the Cabarrus Health Alliance to demonstrate the impactful work you will be doing with families in Cabarrus County. Evaluation activities are a required part of being a Cabarrus Triple P Provider. Data collection tools not only provide useful information to the provider and caregiver during the intervention but also are mandated by the NC Department of Public Health for funding purposes. CHA was purposeful in selecting only the minimal number of tools and shortened versions in order to minimize the time needed for evaluation efforts. Please refer to the Memorandum of Agreement for a description of the evaluation commitment for your agency. Please contact Gina Hofert at gghofert@gmail.com or 704-953-5619 for questions regarding evaluation for Triple P Cabarrus or email TripleP@cabarrushealth.org.
